

Activity 2: What Would You Do

Take 5 minutes to look back at what you've accomplished in the last year.

- Who has joined your organization over the past year? In what roles?

- How many people have you helped? How? _____

- What challenges have you overcome? Financial? Political? Logistical?

Spend 5 minutes generating a list of all the activities you plan to implement in the coming year.

- Are you continuing the activities you listed above? Increasing the number/size/etc? _____

- Are you introducing any new programs or activities? _____

- Are you teaching any important information or concepts to members of your community? _____

- Will you be facing any new financial obstacles in order to do what you've planned this year? _____

Give yourself 5 minutes to imagine all of the things your nonprofit could accomplish if you had unlimited resources.

- Who would you help? _____

- What help would you provide? _____

- How would your work change things for the better? _____
